Dr. David Wilson, UD

Attention and Perception Lab September 2010 – May 2011
Undergraduate Research Assistant, Dr. Steven Most, UD

Intergroup Relations Lab September 2009 – May 2010
Undergraduate Research Assistant, Dr. Samuel Gaertner, UD

Blue Hen Poll Research Lab January 2009 – May 2010
Undergraduate Research Assistant, Dr. David Wilson, UD

- Designed and implemented school-wide survey called *Blue Hen Poll*, which gauges the opinions of students regarding both university and national issues

Relevant Statistical and Technical Skills

Statistical Software (in order of proficiency): R, SPSS, MPLUS, SAS, STATA

Other Software: BioPac MP150 physiological data acquisition system (for measuring ECG, EEG, EMG, ERS, SCL), DirectRT, EPrime, Qualtrics, LaTeX, MediaLab, PsychoPy, SuperLab

Methodological Expertise: Biological/Physiological research on attitudes and behaviors, Experimental design, functional Magnetic Resonance Imaging (fMRI), Implicit Attitudes, Survey research

Statistical Expertise: Advanced regression, Advanced factorial ANOVA, ANCOVA, Applied Bayesian Models, Factor Analysis (exploratory and confirmatory), General and Generalized Linear Models, Item Factor Analysis, Item Response Theory, Multidimensional Scaling, Multilevel Modeling, Multivariate Statistics, Path Analysis, Structural Equation Modeling, Text Analysis

Professional Experience

Telephone Interviewer Jun 2010 – May 2011
Center for Applied Demography and Survey Research, University of Delaware

Additional Experience
